Subject : —Roll-out of RTI Portal in the UT of J&K.

Circular No. 28-JK(GAD) of 2024
Dated 26-11-2024.

In order to enhance the efficiency of processing and responding to RTI applications, the National Informatics Centre (NIC), Jammu and Kashmir, has developed an online platform, the RTI Portal, accessible on <https://rtionline.gov.in>. This platform will maintain a comprehensive database of all RTI applications received by the Central Public Information Officers (CPIOs) and the appeals received by the First Appellate Authorities (FAAs) across various departments. Additionally, it will facilitate the swift processing of applications by the concerned CPIOs and FAAs.

The RTI Portal aims to provide citizens with the convenience of submitting RTI requests, checking their status, and receiving responses electronically, without the need to visit government offices in person. This digital shift will make the entire RTI process more streamlined, transparent, and user-friendly. The initiative will contribute to greater transparency, accountability, and effective governance within the Union Territory of Jammu and Kashmir. The authorities have set a target for the portal to become fully operational by **10th December, 2024**.

For the smooth functioning of the RTI Online portal, the Nodal Officers at Administrative Department level have been nominated by all the

Departments who shall oversee the process of onboarding all the CPIOs/FAAs on the portal. Accounts of these Nodal Officers have been created by the General Administration Department and have been provided with the login credentials of the Nodal Officer of the concerned Department. The Nodal Officers nominated at Administrative Department level in respect of the RTI portal, have been imparted the requisite training for further onboarding the CPIOs/FAAs.

In the case of the Departments having huge strength of CPIOs/FAAs, the Departments are nominating Nodal Officers at Directorate level as well and their accounts are also being created by the General Administration Department on the portal on the basis of the information being shared by their respective Departments and simultaneously, being provided with the login credentials.

Further, a Nodal Officer at District level may also be nominated in all the Deputy Commissioner Offices, for overseeing the smooth operationalisation of the portal in all the Districts, and the information of the Nodal Officer for RTI portal at District level be shared with the General Administration Department on the email IDgadit6648@gmail.com in the following format by today evening positively :

Name of the District/ Office	Name of the Nodal Officer	Designation	Gender	Address	Mobile No.	E-Mail ID (@gov .in)
---------------------------------	------------------------------	-------------	--------	---------	---------------	-------------------------------

As such, for effective implementation of the portal, the following instructions are issued to all the Nodal Officers for compliance :—

- i. All Nodal Officers shall on-board their respective Central Public Information Officers (CPIOs) and First Appellate Authorities (FAAs) on the RTI Online Portal, **by or before 29th November, 2024 positively**, using the login credentials being provided to them by the General Administration Department.
- ii. Nodal Officers shall ensure provisioning of the user ID credentials to all the CPIOs/ FAAs, after onboarding them on the RTI portal.
- iii. Nodal Officers shall also furnish the information with respect to the number of CPIOs in their respective Departments and HoD Offices and particulars thereof (Administrative Department,

HoD Office, Name of the CPIO, Designation of the CPIO, Email ID (@gov.in), Phone No. of the CPIO) on email IDgadit6648@gmail.com. **by tomorrow positively.**
